1. What is the Bodangora Wind Farm Community Benefit Fund?

The Bodangora Wind Farm Community Benefit Fund has been created from Development Contributions arising from the Planning Agreement between Dubbo Regional Council and Bodangora Wind Farm Pty Ltd which remains a wholly owned subsidiary of Iberdrola Australia Ltd.

This grant provides funding to not-for-profit community organisations to support projects that deliver social, economic or environmental outcomes to local communities of the Wellington and villages district which are part of the Dubbo Regional Council Local Government Area.

Definitions

Community organisation means:

- A. an entity that carries on activities for a public purpose; or
