Section 405 of the Local Government Act 1993 requires a Statement of Council's Revenue Policy to be included in the Operational Plan. This document constitutes the Dubbo Regional Council Revenue Policy and is prepared in accordance with Section 405(2) of the Local Government Act 1993.

The Revenue Policy includes the following statements for the 2020/2021 year:

1. Rates Statement
2. Annual Charges Statement
3. Charges for Actual Use of Services Statement
4. Fees and Charges Statement
5. Statement of Proposed Borrowings
6. GST Implications
7. Interest on Overdue Rates & Charges

Due to the Local Government Amendment (Rates Merged Council Areas) Bill 2017, the Ordinary Rates and Annual Charges structure that applied in the 2019/2020 rating year has been maintained for the 2020/2021 rating year.

1. RATES STATEMENT

2020/2021 RATE PEG

The Independent Pricing and Regulatory Tribunal (IPART) have determined that Council's General Income may be increased by 2.6% under section 506 of the Local Government Act 1993, for the 2020/2021 rating year. Council's budget is based on this increase with the total forecast general purpose rate yield being \$36,932,926 as per the table presented below.

ORDINARY RATES

Section 494 of the Local Government Act 1993 requires Council to make and levy ordinary rates for the year 2020/2021.

Due to the Local Government Amendment (Rates Merged Council Areas) Bill 2017, the Ordinary Rates Structure that applied as at the date of merger of the former Dubbo City Council and Wellington Council, being 12 May 2016 must be maintained in 2020/2021.

In accordance with the provisions of Section 514 of the Act, all parcels of rateable land in the Council's area have been declared to be within one or other of the following categories:

- * Residential
- * Farmland
- * Mining
- * Business

Council utilises the provisions of Section 528 and 529 of the Local Government Act 1993 in determining sub-categories for one or more rating categories and in applying differential rating to the categories of ordinary rates.

All rating categories and sub-categories from the former Dubbo City Council and Wellington Council rating structures have been maintained. Due to duplication or similarities of existing category and sub-category names within the former Dubbo City Council and Wellington Council rating structures, the names of some sub-categories have been amended in order to distinguish the area within the Dubbo Regional Council Local Government Area to which the sub-category applies.

Dubbo Regional Council has determined the following categories/sub categories of rates will apply in the 2020/2021 rating year:

- * Residential – Ordinary
- * Residential – Dubbo Urban
- * Residential – Firgrove Estate
- * Residential – Richmond Estate
- * Residential – Village
- * Residential Ordinary – Wellington
- * Residential – Wellington
- * Residential – Geurie
- * Farmland – Ordinary
- * Farmland – Wellington

- * Business – Central Business District
- * Business – Cobra Street
- * Business – East Dubbo

The determination of the category for each parcel of rateable land is in accordance with the definitions set out in Sections 515, 516, 517, 518 and 519 of the Act. All parcels of land within the Council area have been categorised for rating purposes in accordance with the requirements of the Local Government Act 1993. New parcels of land are categorised when supplementary or new rate notices are issued. Strata lots and Company titles are taken to be separate parcels of land for the purposes of categorisation.

Council currently has no parcels of land categorised for rating purposes as Mining - Dubbo. A Notional Yield of \$0 is expected as at 1 July 2020. The Ad Valorem rate and Minimum Rate applicable to the Mining Ordinary Rating Category are being set for the 2020/2021 rating year to allow parcels of land to be categorised as Mining should a Mining Lease Agreement be approved over a parcel of land and the dominant use of the parcel be determined as mining within the 2020/2021 rating year.
